Top Reasons It Takes Bryant®

PASSIONATE SERVICE

Bryant dealers do more than just deliver quality products like our Legacy™ 90+% AFUE gas furnaces. They also deliver knowledge, experience and Whatever It Takes® to get each job done right the first time. You and your system will receive the attention to detail and professional service delivered only by Bryant dealers.

EXCEEDING EXPECTATIONS

With more than 100 years of experience, Bryant offers a full lineup of products designed with whole-home comfort in mind. Through innovative design and rigorous testing, our products are built to exceed expectations, backed by Bryant warranty protection.

NEW CONVENIENCES

With a diverse line of products to address almost any need, from hot or cold spots, to improving indoor air quality and programmable thermostats with Wi-Fi® capabilities, convenient comfort can be yours when you choose Bryant.

CUSTOMIZED COMFORT SOLUTIONS

Heating and cooling solutions are not one size fits all. Our dealers provide solutions based on your specific needs. From financing and rebates to reliable products professionally installed, Bryant provides options that help keep you and your wallet comfortable.

EFFICIENCY & SAVINGS

High-efficiency systems can reduce your energy consumption and carbon footprint. By reducing monthly utility bills over the life of your system, you'll see how efficient equipment pays off.

Customized Comfort On Three Different Levels

There is a Bryant gas furnace for almost any heating need or budget. Your Bryant dealer can help you decide which is right for you. For a dependable value in warm, winter comfort, choose one of our Legacy™ Line 90% or better AFUE models.

EVOLUTION
SYSTEM

Preferred
SERIES

LEGACY
LINE

Energy Management

Modulating Operation

Our highest efficiency models make subtle adjustments as conditions change to deliver comfort within a few tenths of a degree

Two-Stage Operation

Our Perfect Heat® technology feature monitors and adjusts operation for optimal performance based on current and past conditions

Single-Stage Operation

Solid, dependable performance that still provides 90% AFUE gas efficiency or better*
- Model 915s: 95.5% AFUE
- Model 925s: 92.1% AFUE

Humidity Management

Perfect Humidity® technology

This proprietary feature leverages multi-speed systems to maximize humidity removal without over-cooling

SmartEvap™ technology

Reduces indoor humidity by preventing condensate from dehumidification from recirculating into the home

Basic Humidity Management

Provides basic humidity removal during cooling operation

Airflow Management

Fan-On Plus™ technology

Enjoy enhanced ventilation control with the ability to change fan speeds from a compatible thermostat

Fan-On Plus™ technology

Enjoy enhanced ventilation control with the ability to change fan speeds from a compatible thermostat

Fan-On Plus™ technology

Enjoy enhanced ventilation control with the ability to change fan speeds from a compatible thermostat

Comfort Management

Evolution® Connex™ Control

Our most capable and complete comfort control with full-color touch-screen and available wireless access to temperature, humidity, ventilation and more

Housewise™ Wi-Fi® Thermostat

This deluxe comfort control looks great and performs even better. Wireless operation, touch screen, energy use tracking and usage reports

Bryant® Wi-Fi® Thermostat

Our more basic model with remote access, full programming and energy use monitoring

Variable-Speed Operation

Low speeds enhance comfort with consistent temperature, reduced hot/cold spots and drafts, and superior humidity management. Higher speeds maintain your comfort in more extreme conditions

Constant Air Movement

Delivers quiet, even temperature control, humidity control and greater comfort

Single-Speed

Solid, reliable performance that delivers comfort when you need it

Warranty

To the original owner, the Bryant Legacy model 915S gas furnace is covered by a 10-year parts limited warranty and a lifetime heat exchanger limited warranty upon timely registration of your new equipment.* The Legacy model 912S is covered by a 10-year parts limited warranty and a 20-year heat exchanger limited warranty upon timely registration of your new equipment.* Ask your Bryant dealer about optional extended warranties, which may include labor.

*The limited warranty period is 5 years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts limited warranty on the heat exchangers. See warranty certificate at bryant.com for complete details and restrictions.

Home Comfort Components

AFUE (Annual Fuel Utilization Efficiency) is a measure of how efficiently your furnace converts the energy from fuel into heat.

*Model 915s

1 EXTRA GAS EFFICIENCY

The secondary heat exchanger extends heat transfer for higher efficiency use of heating fuel and is backed by a lifetime parts limited warranty.

2 RELIABILITY

Count on the Bryant® Perfect Light™ igniter to reliably bring the heat when you need it.

3 SMART OPERATION

You could say we control our own destiny, because we are the only manufacturer that designs both the furnace AND the control board. Bryant's patented furnace control does the thinking for you to deliver solid, reliable performance along with comfort-enhancing Fan On Plus™ adjustable constant fan function.

4 PRECISION FUEL MANAGEMENT

Our precision gas valve delivers exactly the amount of fuel your home needs.

FAN ON PLUS™ TECHNOLOGY

Fan On Plus improves comfort all year long by allowing you to select different fan speeds during continuous fan operation to achieve more or less airflow as needed. Continuous fan operation can also help improve indoor air quality. Letting the air circulate continuously means it is passing through your system's filter more frequently.

Thermostats

Bryant offers a range of solutions for managing your system. Whether you're looking for Wi-Fi® thermostats with energy reporting for the ultimate in connected control, zoning management or more basic thermostats—you'll have the system control you want.

Housewise™ Wi-Fi® Thermostat

The Housewise thermostat is your gateway to comfort management. It can save homeowners an average of 20% on their heating and cooling energy costs.* With Wi-Fi® capability, you can access your system 24/7 from almost anywhere and view detailed energy reporting from your tablet or web portal. Combine that with custom energy tips and you can make informed decisions about when and how to save even more money.

Bryant® Wi-Fi® Thermostat

This thermostat is about more than simply giving you remote access. It's about helping you save money on energy through advances in programming design, smart recovery and energy use reporting. You can see when you're spending the most on energy and tailor your settings to save. And, when you're not home, this thermostat will work to heat or cool the most efficient way possible for your system type and brand.

*Based on a 2012 third party study comparing Bryant Housewise™ technology to the estimated cost of a non-programmable thermostat set to 72° F at all times. Wi-Fi® is a registered trademark of Wi-Fi Alliance Corporation.

For more than a century, homeowners have associated Bryant® heating and cooling products with the highest standards of indoor comfort and Bryant dealers as service leaders. Through commitment and dedication of our product development and manufacturing teams, we have consistently met every new challenge head-on and delivered the products to meet or exceed expectations. Our national network of passionate Bryant dealers is at the forefront of our success.
